Plant a Living Memorial

Remember your loved one by donating a tree to the cemetery in their honor. We allow maples, oaks, elms, white pines, ginkgos and lindens with 2-inch diameter trunks.

We will plant your tree as close as possible to the site you choose. Your tree will add grace and beauty to the cemetery today, and increase in grandeur for generations to come.

To learn more, please call the cemetery office at 785-234-6605.

Eastern White Pine

Lacebark Elm
